(b) So far, project proposals for 67674 number of road works for 237725.44 km of road length for a value of Rs. 48,832.74 crores have been approved. So far 42371 number of roads having 132923.12 km road length has been completed and an expenditure of Rs. 23234.82 crore has been incurred. Balance works are either in progress or under process of tendering/award by the States.

(c) Steps have been taken to improve the pace of implementation of the Programme, through enhanced allocation of funds, training of field staff including contractor's staff, providing interest free advance for procurement of required plants and machinery, continuous and regular monitoring of the programme. The Standard Bidding Document has also been amended, *inter-alia*, to relax the qualification criteria for participation in the PMGSY tenders, to allow participation of joint ventures, to provide flexibility to States to float larger sized packages and to provide non-financial incentives for project completion on schedule. In Bihar and Tripura, central agencies have been awarded the work. The Union Minister has written to the State Governments to augment their institutional and contracting capacity to accelerate the pace of programme implementation.
